Who was Timothy?

In this exercise, we will try to learn as much as we can about who Timothy was, from the text of the Bible alone. The list below contains all the verses from the NIV text of the New Testament that contain the word "Timothy." Look them up, and write down any piece of information that might help you figure out who Timothy was, where he came from, what his relationship with Paul and others was like, where he traveled, and any other observations you can make about his life, character, ministry, relationships, etc.

When you're done, try writing a one- or two-paragraph summary of everything you have learned about Timothy.
