

Dear LFMC,

Hello Church! Words cannot express how grateful and excited I am to be appointed as your next Senior Pastor. I am so humbled and honored to be part of the next chapter of the long storied history of Lawrence Free Methodist Church.

My wife and I have lived in Texas our entire lives where we've had the opportunity to serve churches throughout the state. I've been a Youth Pastor, the Dean of Students at a Christian university, an Associate Pastor, and most recently a church planter in Austin, Texas.

I love being involved with the community as well. I've recently resigned my seat on the local school board where I served for the last 8 years. I've also served as a chaplain with the local police department. There's never a dull moment!

You'll hear me say this a lot, but I truly believe that the best days of LFMC are ahead of us. LFMC is full of amazing people, deeply spiritual lay leaders, and an incredibly gifted staff. We are uniquely positioned to change countless lives, homes, marriages, neighborhoods, and all of Lawrence for that matter.

As the new Senior Pastor I am committed to doing anything and everything I can to align this church with the mission of God and to help us abide in Christ, and Christ alone. Jesus told us that when He is lifted up that He will draw all men to himself. I can't wait to lift Jesus up with you at LFMC and see what amazing things will happen as a result.

We covet your prayers as we begin the transition out of Texas and as we move that direction. Wendy and I can't wait to be there so that we can join you on mission.

See you soon!

Alex & Wendy Alexander
